J.A. STEEL'S BLOOD FARE TRAILER FINALLY DROPS!!  
Posted by [anythinghorror](#) on July 30, 2011 · [Leave a Comment](#)

This is news I've been waiting for a long time. I've been a fan of J.A. Steel ever since seeing her horror creature flick DENIZEN (see my review [here](#)). Steel is a passionate, kick ass filmmaker who has a great vision and is one of those filmmakers who you can tell has a ton of fun making the kinds of films she wants to make!! Well for awhile now I've been following the progress of her current film, **BLOOD FARE**, and have been getting regular updates from co-producer Christian Koch. The other day he sent me the news I wanted to hear: The trailer is here!! Here's the press release:

SALT LAKE CITY, UT. – On July 26, 2011 the trailer of the award winning female writer and director J.A. Steel's fourth feature film "Blood Fare" hits the web after having its world premiere on the Big City Comics video wall at the San Diego Comic-Con 2011 on July 23. Steel, Gil Gerard, internationally recognized for his lead role as Captain William 'Buck' Rogers in the science fiction movie and television series "Buck Rogers in the 25th Century", Savannah Ostler ("Vengeance"), Splattercontainer Scream Queen October 2010 and Jeff Kaufman, creator of the brand new graphic novel "Terminal Alice", attended the world premiere. "Blood Fare" is a Civil War ghost story with a modern twist, by J.A. Steel and Co-Producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek – "Wild Stallion"), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series "ZEROS") and her brother Chad

(Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred. Gerard plays the character of Professor Meade, mentor to the protagonist Tyler, in "Blood Fare". Gerard was recently seen in the Syfy original movie "Ghost Town". International action star, Kim Sonderholm, most recently seen in the newly released "Little Big Boy," appears alongside Gerard as Professor Malick.

In addition to Gerard and Sonderholm, several other amazingly talented actresses and actors have joined the "Blood Fare" cast, including Michelle Wolff ("NCIS", "Chicago Hope", "ER", and "Providence"), Bridget McManus ("Wanted"), Scott Beringer

About J.A. Steel: Steel is a director, producer, actor, videographer, editor, fight choreographer and stunt person, in addition to writer and composer ... and even a distributor ... a unique woman in Hollywood. "Blood Fare" is Steel's fourth feature film. Her action horror shocker "Denizen", her action supernatural thriller "Salvation", and her action feature "The Third Society" reflect in many ways Steel's real life hobbies of Muay Thai kickboxing, cave diving, motorcycle riding, firearms and edged weapons. All three movies are available on Amazon.com.

Steel lives in Salt Lake City, Utah, preferring the peace of the mountains for her screen writing.

Filmmaker extraordinaire, J.A. Steel

This is a "must read" that is excessively violent & gory!!

Horror "Review": Predatory Instinct (2011)

August 3, 2011

Does this not sound like a kick ass flick?!??? I mean it has Gil friggin' Gerard in it. But now for the good stuff; the trailer:

If I still smoked I'd be lighting one up right now. Man I miss smoking ... oh, sorry; got distracted. This looks like a really polished and atmospheric film and it was worth the long wait for the trailer!! But now that I have a crumb I want the whole cookie!!

From the 2011 Comic Con, (left to right) Resurrection Studios' Dave Stewart, Savannah Ostler, Gil Gerard & Jeff Kaufman.

Check out their Indie GoGo page [here](#) and support them on Twitter [here](#), and Facebook [here](#). And of course stay tuned right here to anythinghorror.com and I'll let you know as soon as I hear anything about its release date and distribution news. My huge thanks to both J.A. Steel and Christian Koch for keeping me updated every step of the way!!

Stay Bloody!!!
