Edward Meek - "Wild Stallion"), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for

Terrible
 I can't stand watching films that can't be bothered to even look like a real film, this looks like it was filmed on a handy cam with no effort taken in to how it looks. Whenever a film looks like this it pulls me completely out of the movie, this will be garbage, mark my words.
