Award-winning writer and director J.A. Steele has announced the world premiere of her fourth feature film *Blood Fare* during Dragon*Con 2012 in Atlanta, Georgia.

From the Press Release:

*As part of the official Dragon*Con 2012 programming, the Blood Fare screening is scheduled for Friday, August 31st, at 8:30 pm at the Hyatt Regency Atlanta, Hanover CDE. A live Q&A with Blood Fare star Gil Gerard, internationally recognized for his lead role as Captain William "Buck" Rogers in the science fiction movie and television series "Buck Rogers in the 25th Century," and director J.A. Steel will follow the screening.*

Blood Fare is a Civil War ghost story with a modern twist by J.A. Steel and co-producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek - Wild Stallion), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series "ZEROS") and her brother, Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gerard plays the character of Professor Meade, mentor to the protagonist Tyler, in Blood Fare. Gerard was recently seen in the Syfy original movie Ghost Town. International action star Kim Sonderholm, most recently seen in the newly released Little Big Boy, appears alongside Gerard as Professor Malick.

In addition to Gerard and Sonderholm, several other amazingly talented actresses and actors have joined the Blood Fare cast, including Michelle Wolff ("NCIS", "Chicago Hope", "E "Providence"), Savannah Ostler (Vengeance), Bridget McManus (Wanted), Scott Berin (Ocean's Eleven and 21), Brenden Whitney, Alison Trouse, Thomas J. Post, Antonio L April Knight. Marcus Intheam, Salt Lake City star radio DJ, and "The Real L Word Live host Natalie M. Garcia add live broadcast talent.

Chris Hanson, one of the most recognized special makeup effects artists of Hollywood crew of Blood Fare as Special Makeup Effects Supervisor. He demonstrated his unique in Hellboy, Underworld, Men in Black, Men in Black 2, The Green Mile, "The X-Files", Faculty, Spawn. and many other productions.

Steel rounded out her crew with Director of Photography Michael B. Call (127 Hours), Co-Producer Christian M. Koch, who worked with Steel on her first three films, and Executive Producer Jessica M. Bair. The up-and-coming colorist, Jeff Pantaleo, completed the digital
