J.A. Steels Blood Fare Receives Digital Coloring

We are proud to announce that Warner Bros. Motion Picture Imaging (MPI) completed the digital coloring of award winning female action filmmaker J.A. Steels horror shocker Blood Fare using their newly developed Scratch workflow.

Blood Fare is a Civil War ghost story with a modern twist, by J.A. Steel and Co-Producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek - Wild Stallion), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series ZEROS) and her brother Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gil Gerard, internationally recognized for his lead role as Captain William Buck Rogers in the science fiction movie and television series Buck Rogers in the 25th Century, plays the character of Professor Meade, mentor to the protagonist Tyler, in Blood Fare. Gerard was recently seen in the Syfy original movie Ghost Town. International action star, Kim Sonderholm, most recently seen in the newly released Little Big Boy, appears alongside Gerard as Professor Malick.

In addition to Gerard and Sonderholm, several other amazingly talented actresses and actors have joined the Blood Fare cast, including Michelle Wolff (NCIS, Chicago Hope, ER, and Providence), Savannah Ostler (Vengeance), Bridget McManus (Wanted), Scott Beringer (Oceans Eleven and 21), Brenden Whitney, Alison Trowse, Thomas J. Post, Antonio Lexerot and April Knight. Marcus Intheam, Salt Lake City star radio DJ of Marcus in the Morning on Z-ROCK 94.9 and The Real L Word Live Lounge host Natalie M. Garcia add live broadcast talent.

Chris Hanson, one of the most recognized special makeup effects artists of Hollywood, joined the crew of Blood Fare as Special Makeup Effects Supervisor. He demonstrated his unique creativity in Hellboy, Underworld, Men in Black, Men in Black 2, The Green Mile, The X-Files, The Faculty, Spawn and many other productions.
