I was lucky enough to meet and hangout with the very cool Gil "Captain Buck Rogers" Gerard last summer at Imagicon and today I'm showing you guys and gals the new teaser trailer for *Blood Fare* in which he stars in as Professor Meade, the mentor to protagonist Tyler (Brandi Lynn Anderson). Also starring in the J.A. Steel helmed flick are Michelle Wolff, Kim Sønderholm, Bridget McManus, Scott Beringer, S. Edward Meek, Adrian West, Savannah Ostler, Brenden Whitney, Alison Trowse, Thomas J. Post, April Knight, Antonio Lexerot, Marcus Intheam and Natalie Garcia.

The teaser trailer looks like the film is going to be lots of old school cheesy horror fun so check it out after the jump!

Synopsis:

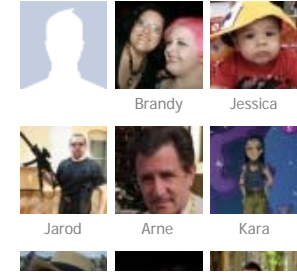

Corporal Henry Trout fought valiantly in the forgotten skirmish of the Letha Confluence during the Civil War. The year was 1861. In 2011, he will come face to face with his descendants as the battle for blood begins. Tyler and her brother Chad, Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.
