

Gores Truly – Gone to Dragon*Con!

BY GORESTRULY – AUGUST 30, 2012

POSTED IN: CONVENTIONS, MAIN

If you've been wondering why things have been a little quiet around here lately – it's because we've all been preparing for one of the largest Sci-Fi/Comic/Fantasy/Nerddom fests – **Dragon*Con**.

Dragon*Con kicks off today from Thursday, August 30th to Monday, September 3rd in Atlanta, Georgia.

So we apologise for all the crickets around here as we spend the next four days drinking, costuming, attending panels, and taking some shots of the raddest horror-themed costumes we see. If you see any of us, don't hesitate to say hello (*or buy us a beer!*)

Check out some of the [panels from the Horror and Dark Fantasy track](#) at Dragon*Con:

- True Blood – A behind-the-scenes look at the hit show
- Remake It! – A discussion of horror remakes, good and bad. What movies could stand to be remade?
- Our Monsters, Ourselves – What each generation's monsters say about the world we live in
- Vampire Diaries – A behind-the-scenes look at the hit show.
- H.P. Lovecraft at the Movies – A look back at various film and television productions inspired by H.P. Lovecraft
- Stephen King's Hollywood – A retrospective of the movies based on Stephen King's fiction
- Hammer Horror – A look back at the legendary film studios
- Dark Shadows – An annual Dark Shadows panel
- David Lynch: Inside the Black Lodge – A discussion panel exploring the surrealistic, nightmarish visions of filmmaker David Lynch
- This Is My Boomstick! – Fans of the Evil Dead, unite!
- Making Monsters a Reality – Acclaimed SFX and make-up artists discuss the art of creating monsters
- Laughing in the Graveyard – The use of humor in dark fantasy
- Cthulhu: The Cult in Pop Culture – A look at the various ways the Cthulhu mythos have been depicted across popular culture.

And here's a sampling of some of the [feature films](#) to be shown:

- *A Zombie Invasion* – The inhabitants of a small town and it's very popular diner have to fend off a nasty infestation of hungry zombies.
- *Baby-Sitting* – A young woman accepts a babysitting offer from a couple she doesn't know. Puzzled by the children's odd behavior, she invites some friends to keep her company. Little do they know that it will be the worst night of their lives...
- *Blood Fare* – Corporal Henry Trout fought valiantly in the forgotten skirmish of the Lethe Confluence during the Civil War. The year was 1861. In 2011, he will come face to face with his descendants as the battle for blood begins. Tyler and her brother Chad, Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred. Starring Gil

Blinded by her agony and hurt, Michi stumbles onto a suicide chat room where she exchanges stories with others in similar situations.
