## World Premiere Of Female Action Filmmaker J.A. Steel's "Blood Fare" At Dragon\*Con 2012

**SALT LAKE CITY, UT.** – On August 14<sup>th</sup>, 2012, J.A. Steel, the award winning female writer and director, announces the world premiere of her fourth feature film “Blood Fare” for the Dragon\*Con 2012 in Atlanta, GA. As part of the official Dragon\*Con 2012 programming the screening is scheduled for Friday, August 31<sup>st</sup> at 8:30pm at the Hyatt Regency Atlanta, Hanover CDE. A live Q&A with “Blood Fare” star Gil Gerard, internationally recognized for his lead role as Captain William ‘Buck’ Rogers in the science fiction movie and television series “Buck Rogers in the 25<sup>th</sup> Century,” and director J.A. Steel will follow the screening.

“Blood Fare” is a Civil War ghost story with a modern twist, by J.A. Steel and Co-Producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek - “Wild Stallion”), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series “ZEROS”) and her brother Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gerard plays the character of Professor Meade, mentor to the protagonist Tyler, in “Blood Fare”. Gerard was recently seen in the Syfy original movie “Ghost Town”. International action star, Kim Sonderholm, most recently seen in the newly released “Little Big Boy,” appears alongside Gerard as Professor Malick.

In addition to Gerard and Sonderholm, several other amazingly talented actresses and actors have joined the “Blood Fare” cast, including Michelle Wolff (“NCIS”, “Chicago Hope”, “ER”, and “Providence”), Savannah Ostler (“Vengeance”), Bridget McManus (“Wanted”), Scott Beringer (“Ocean’s Eleven” and “21”), Brenden Whitney, Alison Trowse, Thomas J. Post, Antonio Lexterot and April Knight. Marcus Intheam, Salt Lake City star

### About J.A. Steel:

Steel is a director, producer, actor, videographer, editor, fight choreographer and stunt person, in addition to writer and composer ... and even a distributor ... a unique woman in Hollywood.

“Blood Fare” is Steel's fourth feature film. Her action horror shocker “Denizen”, her action supernatural thriller “Salvation”, and her action feature “The Third Society” reflect in many ways Steel's real life hobbies of Muay Thai kickboxing, cave diving, motorcycle riding, firearms and edged weapons. All three movies are available on Amazon.com.

Steel lives in Salt Lake City, Utah, preferring the peace of the mountains for her screen writing.
