J.A. Steel brings us a ghost story with a Civil War twist.

I love anything history related. From the Vietnam war to WWII, its all super interesting. Yet the Civil War is the only war to be fought on U.S soil, between two branches of the U.S itself, Thus the name Civil War. Blood Fare is the tale of something that took place during the Civil War and how it will, and ultimately does, affect people years later. Check out the press release and see what ya think. Ya Yankee!

Female Action Filmmaker, J.A. Steel, Releases "Blood Fare" Teaser Trailer

SALT LAKE CITY, UT. – On November 22, 2010, J.A. Steel, the award winning female writer and director, released the first teaser trailer of her fourth feature film "Blood Fare".

"Blood Fare" is a Civil War ghost story with a modern twist, by J.A. Steel and Co-Producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek – "Wild Stallion"), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series "ZEROS") and her brother Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gil Gerard, internationally recognized for his lead role as Captain William 'Buck' Rogers in the science fiction movie and television series "Buck Rogers in the 25th Century", plays the character of Professor Meade, mentor to the protagonist Tyler, in "Blood Fare". Gerard was recently seen in the Syfy original movie "Ghost Town", and will star with his castmate Erin Gray, in the upcoming television movie "Buck Rogers Begins".

In addition to Gerard, several other amazingly talented actresses and actors have joined the "Blood Fare" cast, including Michelle Wolff ("NCIS", "Chicago Hope", "ER", and "Providence"), international action star Kim Sørderholm ("Westbrick Murders"), Savannah Ostler ("Vengeance"), Bridget McManus ("Wanted"), Scott Beringer ("Ocean's Eleven" and "21"), Brenden Whitney, Alison Trowse, Thomas J. Post, Antonio Lexerot and April Knight. Marcus Intheam, Salt Lake City star radio DJ of "Marcus in the Morning" on Z-ROCK 94.9 and "The Real L Word Live Lounge" host Natalie M. Garcia add live broadcast talent.

Chris Hanson, one of the most recognized special makeup effects artists of Hollywood, joined the crew of "Blood Fare" as Special Makeup Effects Supervisor. He demonstrated his unique creativity in "Hellboy", "Underworld", "Men in Black"
