J.A. Steel is a friend to us here at TD. Yeah we got it like that, anyway her new film Blood Fare adds the traditional ghost story with the not so traditional backdrop of the United States Civil War. The film has just been confirmed for its world premier at Dragon Con and we have all the details below.

Dragon*Con 2012 will be taking place in Atlanta, Georgia. Dragon*Con will be held Labor Day weekend (August 31-September 3, 2012).

[From the Press Release:](#)

*As part of the official Dragon*Con 2012 programming, the Blood Fare screening is scheduled for Friday, August 31st, at 8:30 pm at the Hyatt Regency Atlanta, Hanover CDE. A live Q&A with Blood Fare star Gil Gerard, internationally recognized for his lead role as Captain William "Buck" Rogers in the science fiction movie and television series "Buck Rogers in the 25th Century," and director J.A. Steel will follow the screening.*

Blood Fare is a Civil War ghost story with a modern twist by J.A. Steel and co-producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek – Wild Stallion), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson) and her brother, Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

Gerard plays the character of Professor Meade, mentor to the protagonist Tyler, in Blood Fare. Gerard was recently seen in the Syfy original movie Ghost Town. International action star Kim Sonderholm, most recently seen in the newly released Little Big Boy, appears alongside Gerard as Professor Malick.

Post, Antonio Lexterot, and April Knight. Marcus Intheam, Salt Lake City star radio DJ, and “The Real L Word Live Lounge” host Natalie M. Garcia add live broadcast talent.

Chris Hanson, one of the most recognized special makeup effects artists of Hollywood, joined the crew of Blood Fare as Special Makeup Effects Supervisor. He demonstrated his unique creativity in Hellboy, Underworld, Men in Black, Men in Black 2, The Green Mile, “The X-Files”, The Faculty, Spawn. and many other productions.

Steel rounded out her crew with Director of Photography Michael B. Call (127 Hours), Co-Producer Christian M. Koch, who worked with Steel on her first three films, and Executive Producer Jessica M. Bair. Up-and-coming colorist Jeff Pantaleo completed the digital coloring of Blood Fare on the newly developed Scratch workflow at Warner Bros. Motion Picture Imaging (MPI).

Mastered by Universal Music Mastering’s Grammy winning Erick Labson, the first song off the Blood Fare soundtrack has been released on iTunes and Amazon: The River Mountain Band with “Lay Down Your Trouble” – Lyrics J.A. Steel – Music J.A. Steel & Caleb S. Gray – Piano Arrangement Amanda Lee Bowman.

Blood Fare is a green, sustainable film production, and Eco/Sustainable Production Executive Micheline Birkhead was on set to ensure the project meets green certification requirements.
