kept busy as a TV actor and can soon be seen in the new horror flick BLOOD FARE.

BLOOD FARE is a Civil War ghost story with a modern twist, by J.A. Steel and Co-Producer Christian K. Koch. It is the tale of Corporal Henry Trout (S. Edward Meek – “Wild Stallion”), who in 1861 fought valiantly in a forgotten skirmish after the first battle of Bull Run. 150 years later, he will come face to face with his descendants as the battle for blood continues on a haunted battlefield. Tyler (Brandi Lynn Anderson from the upcoming Syfy original series “ZEROS”) and her brother Chad (Adrian West), Henry's fifth generation grandchildren, will challenge the very legend of Charon the Ferryman, as the lines between the living and the dead become blurred.

BLOOD FARE is almost ready for released. The producers at Warriot Entertainment sent out a press release announcing that Warner Bros. Motion Picture Imaging (MPI) had completed the digital coloring of the film by award winning female action filmmaker J.A. Steel's using their newly developed Scratch workflow.

Gil Gerard plays the character of Professor Meade, mentor to the protagonist Tyler, in “Blood Fare”. Gerard was recently seen in the Syfy original movie “Ghost Town”. International action star, Kim Sonderholm, most recently seen in the newly released “Little Big Boy,” appears alongside Gerard as Professor Malick.

In addition to Gerard and Sonderholm, several other amazingly talented actresses and actors have joined the “Blood Fare” cast, including Michelle Wolff (“NCIS”, “Chicago Hope”, “ER”, and “Providence”), Savannah Ostler (“Vengeance”), Bridget McManus (“Wanted”), Scott Beringer (“Ocean's Eleven” and “21”), Brenden Whitney, Alison Trowse, Thomas J. Post, Antonio Lexterot and April Knight. Marcus Intheam, Salt Lake City star radio DJ of “Marcus in the Morning” on Z-ROCK 94.9 and “The Real L Word Live Lounge” host Natalie M. Garcia add live broadcast talent.

Chris Hanson, one of the most recognized special makeup effects artists of Hollywood, joined the crew of “Blood Fare” as Special Makeup Effects Supervisor. He demonstrated his unique creativity in “Hellboy”, “Underworld”, “Men in Black”, “Men in Black 2”, “The Green Mile”, “The X-Files”, “The Faculty”, “Spawn” and many other productions.
